

Navigating the NY LED Incentive Phaseout

Several New York utilities have announced that 2025 is the last year they will offer incentives for LED retrofits. If you haven't made the change, this is your last opportunity to reduce project costs.

Phaseout Specifics

Incentive phaseouts are for qualified LED retrofit projects that meet the following deadlines:

1. **June 30, 2025: Preapproval documentation submitted**
2. **October 31, 2025: Projects completed and final documentation submitted**

Utilities Included in Phaseout

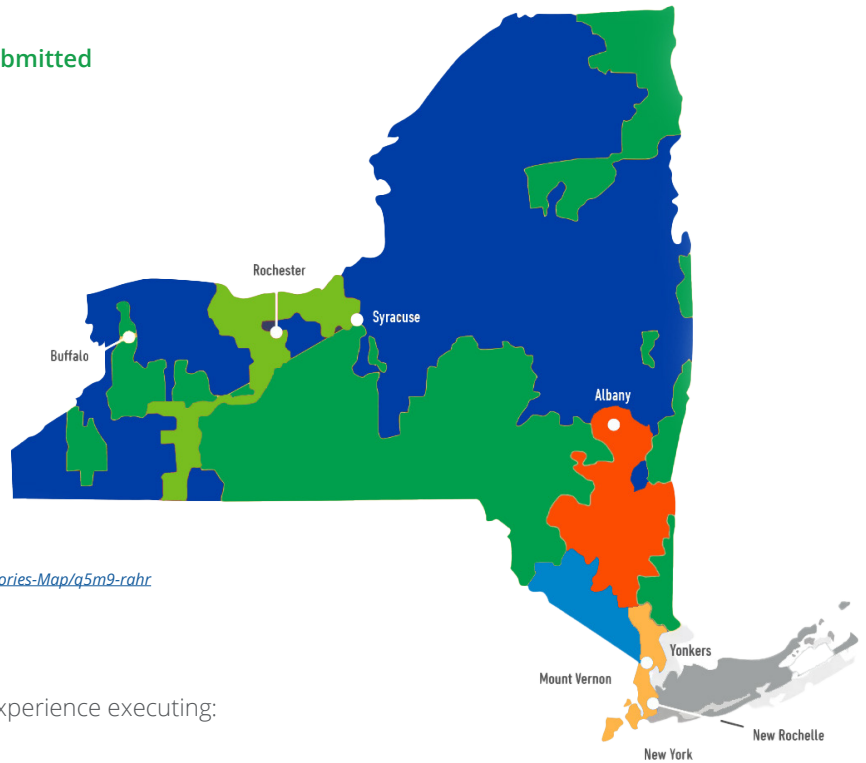

- National Grid
- Orange & Rockland Utilities
- NY Electric and Gas
- Rochester Gas and Electric
- Central Hudson Gas and Electric
- Long Island Power Authority

Utility **NOT** Included in Phaseout

- Consolidated Edison

EMC Does the Work

As your turnkey provider, we bring over 20 years of experience executing:

Determining your eligibility for the incentive program

Working with your utility to determine your expected incentive level

Managing the logistics of your project through completion

Completing and submitting the paperwork necessary to redeem your incentive payment

Next Steps

Contact EMC and we'll assess your project for eligibility. If it does qualify, we'll complete and submit the preapproval documentation and start the EnergyMAXX process to take your project to a successful completion.

LEADING THE FUTURE OF LIGHTING + TECHNOLOGY

MAXXimize Your Lighting

EMC's turnkey project management approach, EnergyMAXX®, has helped our customers maximize the results of each project phase—from multisite energy audits to maximizing utility savings with energy rebates and incentives—bringing an immediate and positive impact to their bottom line.

The EnergyMAXX Process ensures your lighting retrofit's success by maximizing results in each project phase:

Prioritize

Target spend efficiently for your lighting projects

Audit

Ensure a strong foundation for decisions and installation

Design

Select the best fit and performance for your facilities

Incentives

Receive maximum value and drive lowest initial cost

Logistics

Coordinate to support daily business and project needs

Installation

Complete as scheduled with a comprehensive and clear scope

Service

Maximize long-term value of your new lighting systems
